The Ashman File

Welcome to our last match of the season and also to our visitors Wigan Athletic. As I write these notes it looks as though we shall have a reasonably soft surface to play on which should produce an entertaining game. The usual end of April matches are often played on very firm pitches with plenty of wind to spoil "sitters" thus causing much criticism of "a typical end of season game". Our freak weather caused many problems last week-end but it made our game at Tranmere on Friday night, on a very wet pitch, entertaining and good for the players, played twenty four hours earlier it would have been a bare hard surface with ruts all over the place and a farce because of the wind. Conditions, the right ones, do help this game of ours.

That brings me to our own pitch and congratulations to our Groundsman, Ron Barnes, he has worked tremendously hard in his first season and kept our ground in immaculate condition. (Big word that Ashman). Considering our three teams that played their home games out there it has been carefully looked after indeed. Well done Ron and his henchmen, Maurice and Bill.

Whilst throwing out bouquets I would also like to thank, on behalf of the Club, all those volunteer helpers who help us on match days, our Tea Room Ladies (first, reserve and junior matches), Dressing Room Attendants, Electricians (who took those fuses recently) our Mascot young Martinson, also those friends of ours who earn a few bob but turn up so regularly - The Gatemens and Stewards - (come again next season). Security chief Roy and his assistant Alan. My personal thanks to all the staff who have worked under me, Mrs. Louth and Mary, the ladies in the Development Office and all the Lottery Agents may you continue to work enthusiastically under our new Commercial Manager Terry and his assistant Don Rowing. Welcome gentlemen may you help us to heights unknown. Some target that!! To my players who have worked hard and well for me especially since February when Phil and I have not been such good time keepers as we ought to have been. Enough said on that. Okay we haven't been very successful, but by heaven we are getting so close to what I believe in being a footballing side, playing a bit. Some matches of late have shown some style, Doncaster, Southend, Mansfield, Bournemouth. Magic at times, just a bit better finishing and I would have no doubts of where we could go. Even my friend "Large" has been pleased with our play and "Little" even waved to me in my car!! We did play too much football in 1972/3 and got promotion and it could be done again.

Thank you to all our Match Ball Sponsors and programme producers and sellers including Elsie.

Finally a word to our loyal supporters. You have been good to us, many thanks and may next season be great for you and also for those who have stayed away, may they return to success.

Today's Referee:

P. G. REEVES (Leicester). Started refereeing with the Leicestershire County F.A. in 1958, then graduated via the Football Combination to the Football League's full list. Refereed the Charity Shield in August 1978, the Football League Cup Final in March 1979, a European Cup Winners Cup match and an international match. Appointed to the F.I.F.A. panel of referees in 1978/79. A married man, with two sons, he is Sales Director for a hosiery company. Played football for England schoolboys in 1947 and continued to play - until 1958 - was a professional with Leicester City and Mansfield Town. His interests are walking, tennis, squash, cricket and gardening and he also likes crossword puzzles.

BOB WARD (Goalkeeper)

As a boy Bob supported his local side West Bromwich Albion and he has had the double experience of playing at "The Hawthorns" both for and against Albion! After leaving school, he played as an amateur for West Brom., eventually turning professional at 18 and making 15 first team appearances. He later joined Blackpool for a £20,000 fee and made his debut for the Seaside in an F.A.Cup tie at West Bromwich. He made 41 League appearances for Blackpool before joining Wigan last summer. Unfortunately an early season injury restricted his appearances for his new club, but the signs are that he will be pushing hard for a first team place in the coming season.

DAVE FRETWELL (Defender)

Played as a schoolboy for Yorkshire and England at under-18 level, before studying industrial management at Bradford University. As a part-time, he played regularly for Bradford City in the Third and Fourth Divisions of the Football League and comfortably made the transition from part-time to full-time. He made 250 appearances for the Yorkshire club before sampling the American soccer scene in California. On his return he joined Wigan Athletic for whom he has been a most reliable and consistent performer over the past two seasons.

GEORGE UROUHART (Midfield)

Joined his former boss Ian McNeill from Ross County for a nominal fee last year. Born in Glasgow, he won Scottish amateur international honours against England and Ireland before signing for St. Mirren in 1968. After three seasons there, he had one year with Guilford in the Southern League before joining Mr. McNeill in a very successful Ross County side. Last season George performed a key role in lightening up the midfield unit and the high spot of his season was a very fine game against Everton's Asa Hartford in a Fourth Round F.A.Cup tie played at Goodison Park.

JEFF WRIGHT (Midfield)

Born in Alston in Cumbria, Jeff worked at the local laundry after leaving Grammar School. Played for both Tow Law in the Northern League and Netherfield in the Northern Premier League before joining Wigan in 1974. He has shared in many of Wigan's F.A.Cup triumphs at non-league and Football League levels - victories over Shrewsbury Town, York City and Sheffield Wednesday while a non-league player and Blackpool and Chelsea as a Football League player - will long remain as highspots in his memory. Ever-present for the past two seasons, Jeff is a key member of Wigan's first team squad.

FRANK CORRIGAN (Midfield)

Although he will miss the early games of the new season, because of injury, this enthusiastic Liverpool-born player will soon be back again as an established member of the Wigan Athletic side. As a part-time professional, Frank played for Walsall, Burton Albion, Bangor City and Northwich Victoria before joining Wigan. Both with Northwich and Wigan, Corrigan has experienced all the joy of a Cup giant-killer, and after making the move into full-time Football League soccer, when Wigan stepped up in status, this skilful and experienced player has gone from strength to strength. He will be a key-man in Manager McNeill's planning for the coming campaign.

COLIN METHVEN (Defender)

Manager Ian McNeill's deep knowledge of Scottish football enabled him to search out this strong and positive player who became Wigan's record signing at a fee of £30,000 from East Fife in October, 1979. It was soon obvious that the money had been well-spent, for Colin, good in the air and strong in the tackle, soon took over as Captain of the Wigan side and led his men to glory in last year's F.A.Cup competition. The key figure in Wigan's defensive organisation, Methven looks forward eagerly to a promotion-challenging year ahead.

TONY QUINN (Forward)

With Everton as a junior for three seasons before joining Formby, young Tony moved "across the park" to Liverpool and played in their "A" team which won the Lancashire League and also helped the Liverpool County F.A. to win the English F.A. County Youth Cup. From Liverpool, he joined Wigan and quickly proved an outstanding marksman. Topped the Lancashire League scoring list in 1978/79 and scored in his first five full games for Wigan's Football League side! Although he lost his way a little towards the end of last season, Quinn still has time on his side and may well push for a first-team spot in the coming season.

MIKE QUINN (Forward)

This Liverpool-born player, no relative of Tony, enjoyed a "Roy of the Rovers" rise to fame last season in the Wigan colours. Having seen service with Tranmere Rovers and Derby County in his post-school years, Mike was a key member in last year's Athletic Youth XI. Before the end of the season, he was to play and score for the first team at Football League level. A strong, bustling player, young Quinn is expected to push hard for a first team place this season.

BOBBY HUTCHINSON (Forward)

Glasgow born Bobby, a quick moving striker, is expected to give the Wigan Athletic side added skill and experience up front. Formerly a player with Dundee and Hibernian.

LARRY LLOYD (Player/Manager)

Recent acquisition from Nottingham Forest. Previously with Bristol Rovers, Liverpool and Coventry City. Has high hopes in this his first Management position and could well form Athletic into a promotion chasing side next season.

NEIL DAVIDS (Defender)

Originating from Shipley, near Bradford, Neil played for Yorkshire Schools at right-back before joining Leeds United. The highlight of his five years at Elland Road was scoring the winning goal for England's Youth Team against Wales, but he did not make his league debut until he joined Norwich City. After two years at Carrow Road, and loan spells with Northampton Town and Stockport County he joined Swansea City. However, this strong, aggressive defender never settled in Wales and joined Wigan before the start of their first year in League Football. Neil did not make an immediate impact at Springfield Park, but last year his positive style of play endeared him to the local fans and it was no surprise that the popular Yorkshireman made a first team spot his own.

PETER HOUGHTON (Forward)

Another member of Wigan's Merseyside contingent, Peter was in the Liverpool Schools' team which won the English Schools' Trophy. He joined the Ford Motor Company as a Maintenance Fitter and stayed with them until he became a full-time professional in July 1978. As a part-time professional he joined Wigan from South Liverpool, having previously played with Prescot Town. Although handicapped by a wrist injury, he was Wigan's top scorer in their first year in League Football and repeated the feat last year when he might have joined Portsmouth in an attractive transfer deal, but declined the opportunity. Sure to figure among the Fourth Division's leading goal-scorers in the coming year and currently Wigan's hottest property.

Man of IRON

VINCE GRIMES

By A. BROUGHTON

Vince came to the Old Show Ground in 1978 from Hull City. He is a Scunthorpe lad and was educated at St. Bedes School and it was after leaving school at 16 that he joined Hull City as an apprentice. Whilst at Hull he played in the same side as John Kaye, Dave Stewart, Dave Gibson and Stephen Deere. Vince made his debut for United in a friendly at home to Peterborough on January 27th, 1978, but had to wait until the following week for the game at Southend to make his league debut.

During the summer months Vince enjoys playing cricket and regularly appears for Nuform in the Lincolnshire League. He is also a keen golfer.

Last season wasn't one of the happiest for Vince as he was limited to only one league appearance and that being away to Lincoln. This was due to a torn achilles tendon.

During his spare time Vince enjoys listening to music, especially Johnnie Miller and he also helps Phil McLaughlin coaching in the local schools.

Vince has been a consistent performer during this season and surely must be a strong candidate for the Player of the Year award.

League and Cup appearances - 117

Newsdesk

A warm welcome to the last first team game of the season to all supporters and of course Wigan Athletic. Today's game gives United the chance of a first ever victory against Wigan and also the opportunity to extend our 16 match unbeaten home run in league and cup games. Incidentally our last home league defeat was back in October when Torquay won 2-0 at the Old Show Ground. The 2-1 win at Tranmere ended any lingering re-election fears and ironically was our first away win in 16 games. It would be typical of United to end yet another inconsistent season with a home defeat this afternoon and so to end our unbeaten home run!

Welcome to two new members of our Commercial Department in Terry Burdass and Don Rowing. Hopefully their arrival will coincide with an upsurge in the fortunes of the club. Recent events have suggested a brighter future and by August everyone hopes United have a squad capable of sustaining a promotion challenge. Today's game sees the presentation of the "Ernie Storey Memorial Trophy" to our player of the season. To whoever has won YOUR vote we say congratulations.

Finally, thanks to all our loyal fans for your continued support and sincerely hope that next season you have plenty to cheer about. Until then have a good summer and "UP THE IRON".
